

MY HEALTHY SMILE: dental coverage

Up to age 9, the RAMQ* “insures” your child’s smile. Simply show your health insurance card. That’s why we recommend taking your child to the dentist to make sure they get all the care they’re entitled to.

Prevention is always the cheapest solution—for kids and adults. Daily oral hygiene and regular visits to the dentist and dental hygienist will save you time and money.

Dental care covered by the RAMQ* for all children under age 10

- Examinations
- X-rays
- Fillings
- Crowns
- Extractions
- Dental emergencies
- Root canals

Dental care not covered by the RAMQ*

- Cleanings and scaling
- Fluoride treatments
- Dental sealants
- Spacers
- Orthodontic treatments
- Etc.

Check if you are eligible for :
